Webb Consolidated ISD Earns State's Highest Fiscal Accountability Rating

Webb Consolidated Independent School District officials announced that the district received a rating of "A" for "Superior" under Texas' School FIRST financial accountability rating system. The "Passed" rating is the state's highest, demonstrating the quality of Webb Consolidated ISD's financial management and reporting system.

This is the 15th year of School FIRST (Financial Accountability Rating System of Texas), a financial accountability system for Texas school districts developed by the Texas Education Agency in response to Senate Bill 875 of the 76th Texas Legislature in 1999 and amendments under House Bill 5, 83rd Texas Legislature, Regular Session, 2013. The primary goal of School FIRST is to achieve quality performance in the management of school districts' financial resources, a goal made more significant due to the complexity of accounting associated with Texas' school finance system.

"We are very pleased with Webb Consolidated ISD's School FIRST rating," said Webb Consolidated ISD Superintendent Heriberto Gonzalez. This rating shows that our district is making the most of our taxpayers' dollars. This rating shows that Webb Consolidated ISD's schools are accountable not only for student learning, but also for achieving these results cost-effectively and efficiently."

The Texas Education Agency assigned one of four financial accountability ratings to Texas school districts, with the highest being "A" for "Superior," followed by "B" for "Above-Standard," "C" for "Meets Standard" and "F" for "Substandard Achievement." Webb Consolidated ISD has achieved the highest rating for 11 prior year(s).
